THAMESIDE ROOFING LIMITED

SPECIALIST INSTALLER OF HIGH PERFORMANCE SYSTEMS

Environmental Policy Statement 2026 - 2027

Thameside Roofing Limited is committed to conducting its business in a manner that is both professional and ethical whilst paying particular attention to its environmental responsibilities. These responsibilities will be discharged by implementing the following:

- The identification and then strict compliance with the letter and intent of all relevant legal and other requirements.
- The provision of training to raise the awareness of those aspects of our business, which have an impact on the environment.
- The effective communication of the responsibilities of the Company, our staff and those under our control, to ensure that a high standard of environmental care is maintained at all times.
- The organisation of our operations in order to minimise pollution and disturbance to our neighbours and the general public.
- The efficient use of materials and resources with particular regard to the long-term sustainability of consumable items.
- Minimising the need to travel but where travel is unavoidable, consider taking the least environmentally damaging mode of transport.
- The establishment and maintenance of management structures within our operating companies and divisions with specific responsibility for the implementation of environmental policy.
- The establishment of targets against which to measure the improvement in our environmental performance in key areas, including energy use and waste.
- Regular management reviews of the content and implementation of the environmental policy, to ensure improvement in performance through the adoption of best practice, provision of training and raising awareness.
- The introduction of environmental criteria to assess the commitment to sustainable procurement of our supply chain.
- The awareness and procedure in place for working near bats and newts.
- The commitment for the business to work in line with the company impact and aspect register.
- The commitment to achieve a carbon neutral focus within the business and set reasonable targets to achieve carbon neutral status.

Managing Director - We pledge to provide satisfactory resources to ensure, so far as reasonably practicable, that our company employees are provided with the necessary training, supervision, information, procedures, skills, equipment, and leadership necessary to achieve our policy objectives.
