Directors have produced the following statement in respect of health and safety.

Statement of Intent

It is our Aim as Directors to achieve a working environment which is free of work-related accidents and ill health.

Our statutory duties include:

- Enforcing safe methods of work and training staff accordingly.
- Aim to achieve 100% CSCS for the workforce.
- Commit to regular weekly safety meetings to overall improve the business.
- Ensuring sufficient funds are available to support safe working and relevant training.
- Technical training of staff to achieve a competent work force.
- Sufficient time for monitoring site safety and operatives at work.
- Ensuring refresher training is given on topics required.
- Promoting health and safety awareness to all staff and site teams including sub-contractors.
- Ensuring staff have the right skills, knowledge and ability to carry out the works given
- Maintaining and providing safe work equipment.
- Monitoring and review of sub-contractors/vetted annually.
- Investigate accident records and identify trends to improve Safety performance.
- Encourage site safety auditing for compliance checks by all company parties.

Our health and safety policy will be reviewed annually to monitor its effectiveness and to ensure that it reflects changes within the business and updates.

This statement is to be read in conjunction with the arrangements/responsibilities and procedures as detailed in the company health and safety policy.

Managing Director - We pledge to provide satisfactory resources to ensure, so far as reasonably practicable, that our company employees are provided with the necessary training, supervision, information, procedures, skills, equipment, and leadership necessary to achieve our policy objectives.
